3M™ Digital Wall Display
9200IC Plus

For trainers and presenters who need to ensure their message is understood and remembered. The 3M Digital Wall Display Plus Series combines: state of the art projection, digital annotation and mouse control, in a remarkably easy wall mounted design to maximize communication in the most demanding settings. The multiple tools integrated into Digital Wall Display Plus make it ideal for capturing and communicating vast and complicated quantities of information.

Order Number: 78-9236-6843-4
